D123 IS PROUD TO TAKE PART IN AN EXCELLENT COMMUNITY SERVICE EVENT SPONSORED BY THE OAK LAWN-HOMETOWN COMMUNITY. ALL D123 FAMILIES ARE INVITED TO HELP RAKE LEAVES FOR THOSE COMMUNITY MEMBERS WHO MAY HAVE DIFFICULTY DOING IT ON THEIR OWN.

In cooperation with The Village of Oak Lawn and City of Hometown, School District 123 will be sponsoring a senior citizen leaf raking day. Community groups, independent citizens (mostly school age children), and D123 families are invited to participate in helping rake leaves for others in our community. This year we will be extending our service to veterans as well. This event is intended for us to help better serve our community. It is always a fun and rewarding day!

Families interested in participating **will meet at OLHMS (5345 West 99th Street) at 8:00 am** with rakes in hand. We will rake until noon. Due to the age of the elementary students, parents and trusted adults must accompany children in order to participate.

Come prepared. Please bring your own rake or raking device to the event. Comfortable work clothing and a set of gloves are helpful, as is a light snack and bottle of water. A complimentary lunch at Oak Lawn-Hometown Middle School will follow the leaf raking for all participants at 12PM.

We also need your help in identifying the seniors, veterans, and/or those within our community that could benefit from this service. Please send in any addresses of those homes to your school, even if your family is unable to participate in the raking.

Please complete the form below and return it to your school no later than the Wednesday before the event.
